Dear Jack,

On behalf of our entire parish community, I wish to extend our sincere thanks for the recently completed Parish Restoration Fund Drive at Holy Family. The goal of \$300,000 seemed to many of us an "impossible dream" and a daunting challenge.

Your quiet reassurance and professional approach to the task eased the concerns of the Steering Committee. The excellent organization skills you manifested and the rock solid advice you offered us created an atmosphere of confidence that we would be successful in this effort. And so we were. The drive, launched in the midst of the season first and major snow storm in the area, succeeded within the calendar of the drive. We reached our goal and have exceeded it by almost ten percent. Contributions continue to be received. The great generosity of our parishioners was effectively called forth by you and your staff at Kearns and Associates.

I have spoken to other pastors about our success and the effective work you did for us. Please feel free to use my name and our experience at Holy Family as an unqualified endorsement in submitting a proposal to any group contemplating a similar effort.

Sincerely ,

Rev. William R. Bigelow
