Dear Jack:

It is with a great sense of gratitude that I extend to you our appreciation for your professional leadership in the recent fundraising campaign for our new Church. Our original goal was \$600,000, but your efforts have helped us raise \$1,000,000 in pledges.

Your total dedication to the various phases of the campaign especially during it's preparation and worker's meetings, the ease with which you handled our questions, doubts, and anxieties, and the gentle way you re-assured us, was a source of inspiration and confidence for all of us. Your approach was warm, genuine and very sincere. The success of our campaign has brought many of our workers and parishioners together, and has given them a "new vision of Church."

Now we look forward to the ground breaking ceremony and the construction of our new Church. Your invitation will be in the mail. Again Jack, my sincere thanks, it has been a pleasure to have you work on this campaign, and I highly recommend you to any other pastor or parish that needs to conduct a campaign. May God bless you.

Sincerely,

Rev. Edward J. Kosik, Pastor
Holy Redeemer Church
