Dear Jack,

I am writing to thank Kearns & Associates for the excellent job in assisting St. Gabriel's parish with our Church Expansion Campaign. You guided us at every step in this process and provided invaluable advice both before and after the actual campaign schedule. Your firm's long standing reputation for service, reliability and effective follow through is well deserved.

The parish staff and volunteers also enjoyed working with your company representatives, especially Mr. Michael Kearns. As our campaign director he was enthusiastic, decisive and personable. His ability to organize the mechanics of our campaign and lead three hundred volunteers provided us with the inspiration and direction for a professionally conducted and well received fund-raising effort.

In addition to our campaign director I was also impressed by the fact that you assigned additional staff members to St. Gabriel's when needed and this reflected your firm's total commitment to our drive.

In closing, I wish your company continued success in this important work and I would enthusiastically recommend Kearns & Associates to anyone interested in raising funds.

Sincerely,

Fr. Dan J. Palys
Pastor
