Dear Jack:

I want to personally thank you for your professional guidance as St. Helen's of Gates carried out our Renovation Campaign.

Our goal of \$400,000 was an extremely ambitious one; and we would not have been as successful as we have been without the plan your company provided. We are now at approximately 84% (\$335,000) of our goal. Taking into consideration the economic condition of Rochester and the potential major cut backs at Kodak, we have done very well. We will keep trying; and I am sure we will eventually reach our goal with your help.

Thank you once again for your assistance in conducting our fund-raising campaign.

In peace,

Rev. Michael J. Bausch  
Pastor
