*Dear Jack,*

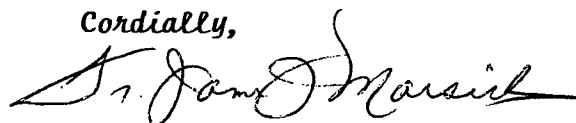

*I want to acknowledge my pleasure in the work you have just completed here at the Parish of Saint Joseph.*

*We have achieved almost ninety percent of our goal of \$1,000,000.00 and I am confident that we will reach this goal over the next three years. We have had positive response from the parishioners and I am sure much credit should be given to you for the manner in which you presented the Restoration Campaign.*

*You exhibited a professional, confident manner at all times with the parishioners and with our staff and volunteers. They found your enthusiasm to be contagious. You worked especially well with our rectory staff and left detailed instructions for them to follow.*

*I know you will be available to us for the next two years to answer questions or to give direction. I hope that you will keep in touch with us and come to visit whenever possible. It has been a real pleasure to know you and work with you. I wish you much success in the future and will be glad to recommend you and your firm.*

*Cordially,*

*Father James J. Marsick,  
Pastor*
