Dear Jack:

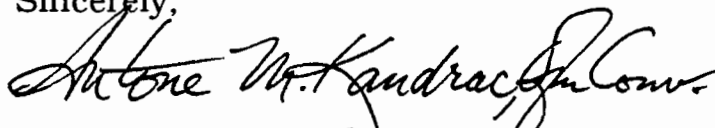

It is with a great sense of gratitude and joy that I write to thank you for your professional guidance and management of our highly successful Parish Center Renovation Fund Drive. By the end of the active phase of the campaign on December 21, we had raised a total of \$272,000 on a campaign goal of \$200,000. This represents 136% of our goal, plus we have already received \$68,000 in down payments.

This is a tremendous accomplishment for our parish and the significance of our campaign's success cannot be overstated. Even though there were skeptics who early on didn't believe we could raise the money, our results have changed their outlook and that of many other parishioners as well. There is a new feeling that has brought our parish closer together and many of the campaign volunteers are eager to help with other parish ministries.

It is now quite obvious that without your professional expertise and well paced direction we could not have come close to realizing this success. You had a plan from the start and reassured me throughout the process that your plan would work for our parish. Now we can look forward to a newly renovated parish center that will provide us with suitable facilities for a variety of parish activities.

Again, thank you for an exceptional job and I would not hesitate to recommend you to any parish interested in raising funds.

Sincerely,

Rev. Antone M. Kandrac, O.F.M. Conv.
Pastor
