Dear Jack,

Peace & blessings of the Lord be with you!

I'm simply writing to thank you for your expertise in helping us reach our goal for our building renovation project for St. Mary's Church.

As you know, much work was needed, & with only 200 registered families, the goal of \$300,000.00 seemed near impossible. But within just a few months, we met that goal through actual cash & pledges.

Your gentle, & not "hard-sell" methods were wonderful and effective, and the whole campaign actually pulled the parish family together.

I have already recommended you to three of my fellow pastors in aiding them with their fund-raisers. I thank you for all your follow-ups, and for keeping in touch well after the actual drive was over.

God bless you, and best wishes for future success.

Sincerely, In Jesus & Mary,

Rev. Raymond A. J. Danhe

Pastor, St. Mary's, Mayville
