Dear Jack,

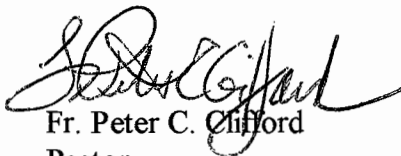

I write to thank you for the wonderful work you did for me and the people of St. Michael's Parish. Our Parish Restoration Campaign was a great success and this is in no small part due to you. Your plan, your organization, your presentation and advice were invaluable and sound.

Our committee, the office staff and many parishioners who worked with you appreciated your skill and careful management of our process. You adapted to our needs while bringing a proven strategy for our program. I greatly appreciated your regular presence throughout the campaign and the thorough way that you prepared materials and presentations for the parish. Additionally, your assistance to me in preparing the leadership gift presentations was great.

As you know we currently have over \$670,000 in pledges with just short of \$200,000 already paid. Our work of restoring our church and school has begun. All this testifies to your work and your program.

Please feel free to use my name in strongly recommending your program and services to other parishes.

Sincerely,

  
Fr. Peter C. Clifford  
Pastor
