

Saint Patrick's Church

To whom it may concern:

The Staff, Parish Pastoral Council and Finance Committee of Saint Patrick's wished to explore ways to increase the weekly Offertory giving.

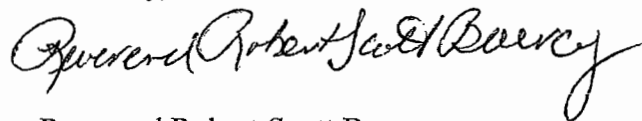

After meeting with different Professional Fund Raising Consultants the Finance Committee decided to hire Kearns and Associates.

We are very happy with the results that have taken place. John Kearns and Michael Coffee were very professional in their presentations. The printed materials were excellent and focused directly on the specific needs of our parish.

Most importantly, the parish responded to the Stewardship Appeal with enthusiasm. The Kearns and Associates prediction of active participation has been successful with an increase of 41% in sacrificial giving.

On behalf of Saint Patrick's Parish we would recommend your consideration of Kearns and Associates for your parish needs.

Sincerely,

Reverend Robert Scott Bourcy
Pastor
