Dear Jack:

I want to personally thank you and your company for guiding St. Peter's through our very successful Church Restoration Campaign.

The success of this campaign was indeed beyond my hopes, and I feel it was due to the well organized and carefully executed plan provided by your company. As you know, there were some parish representatives, including myself, who doubted we could raise the amount you suggested, especially in a small parish like ours. You may recall, we needed to raise \$150,000 to cover the cost of our most urgent repairs, and we actually raised \$260,000 or 173% of our goal.

Thank you once again and be assured that I will gladly recommend Kearns & Associates to anyone interested in conducting a fund-raising program. We could not have done it without you.

Sincerely,

Father Robert Wardenski
Pastor
