Dear Jack,

Now that we have completed the first stage of our fund raising for the renovation of our parish church, I want to extend to you our sincere thanks and appreciation for leading us in the campaign.

We knew at the beginning that the total estimated project cost of \$1.6 million was rather daunting. With your assistance, we set the parish goal at \$800,000.00. You guided us very professionally. Even though we did not exceed the goal, we did acquire pledges and gifts to \$622,000.00. You told us at the very beginning that we would not know our potential until we appealed to the people. From the very beginning, the committee appreciated your being candid and forthright with everyone and their questions. Now we will proceed with the work that can be done.

Throughout the campaign, you came across very professionally and confidently especially in dealing with the parish volunteers and parish staff. Your confidence and enthusiasm was appreciated by one and all.

I know that if we have questions in the near future, you will be willing to respond. We wish you success in the future. Best wishes to you and your family and staff this New Year.

Sincerely,
