Dear Jack,

The members of our Steering Committee join me in thanking you for directing our Parish Restoration Campaign. Our drive for \$300,000 was a total success and more. The Campaign was well organized and skillfully directed. The workers went out well trained and with enthusiasm. Your unobtrusive presence won over even some of those opposed to hiring someone to direct the campaign.

I am happy to recommend you and your firm. If the need should arise, it would be a pleasure to work with you again.

May God bless you in your endeavors.

Sincerely,

Rev. William R. Tuyn
Pastor
